

**Date : 12 August 2011 Vehicle : BMW Mini Cooper Name : Mr Sait**

When I purchased by Mini in 2009 I sought an independent specialist to carry out any work needed.

I have used Bartley for several repairs, servicing and MOT and feel they offer a good service at a fair price.

Unlike other garages I do not feel like I am being ripped off.

I have recommended them to my friends who now also use them and are very pleased.
