I found the Bartley garage on internet search for BMW specialist. Their testimonials were really good, so booked in and I have to say they were fantastic.

I was originally booked in the following week for a service, but my car broke down with a flat battery, they took it in straight away and had it fixed within 2 days, including my service.

The price they quoted was the price I paid.

Excellent.

Having worked in the motor trade in the past, for many years, I would say they are one of the top garages.
